

# Signing up to the scheme

## Declaration of intent

Please complete the following form to sign up to the LERS. Once the completed form is received, your company will become a participant of the LERS. FTA will be in contact, with a data sheet for you to complete which will then be followed by a site visit. The datasets required are principally fuel usage and activity measures, allowing absolute emissions and relative levels to be reported at an anonymised, aggregated basis. Data provided by individual scheme participants will be treated as confidential and will not be disclosed to other parties.
